Project timelines were determined by prioritizing safety and security, historically underserved communities, construction timelines and cost savings. The design start and estimated open dates are subject to change based on factors such as supply chain, weather, site development permitting, unforeseen construction conditions, etc.

In addition to the projects listed, there are **300+ targeted projects** which will be implemented as part of the 2022 Bond. For more information, visit **AISDFuture.com** and the **FAQ**.

Revised March 2025 - Design start and estimated opening dates are subject to change.

**The dots are representative of anticipated construction start dates that exclude the construction of swing spaces.*
