Revised October 2025 - This schedule will be updated on a quarterly basis. Design start and estimated opening dates are subject to change.

**The dots are representative of anticipated construction start dates that exclude the construction of swing spaces.*

For additional project team information, please visit each school's individual page on the bond website: bond.austinschools.org/modernization-projects

Project timelines were determined by prioritizing safety and security, historically underserved communities, construction timelines and cost savings. The design start and estimated open dates are subject to change based on factors such as supply chain, weather, site development permitting, unforeseen construction conditions, etc.

In addition to the projects listed, there are **300+ targeted projects** which will be implemented as part of the 2022 Bond. For more information, visit AISDFuture.com and the [FAQ](#).
