3. What is the timeline for improvements at each school?

Design is in progress on the turf and field improvements on all of the schools listed above. Construction schedules are still being confirmed, as design progresses and each site is permitted.

4. How do I get involved with the project and provide input?

A Campus Architectural Team (CAT) has been formed to provide input on the projects. Members include principals and athletic coordinators from each campus and central athletics staff. CAT meetings are open to the public and up to five minutes of public comment will be allowed per meeting with a limit of one minute per speaker. Those meeting dates and times will be published on the calendar at AISDFuture.com once they are confirmed.

5. Who can I contact with questions or feedback?
