

Wooldridge Elementary School 2022 Bond FAQs

1. What projects will Wooldridge Elementary receive as part of the 2022 Bond?

Wooldridge Elementary will receive a full modernization of the existing campus at its current location. The new building will feature flexible learning spaces to support a variety of learning styles, designed with and for the Wooldridge community.

2. What is the total budgeted cost of this project in the Bond Program?

The total project budget for Wooldridge is estimated to be \$38,918,000, as referenced in the Bond Book. This includes the budget for construction, as well as associated fees for services and materials. The final cost may vary due to fluctuating prices of goods and services.

3. What is the project timeline? When will it be open to students?

Project design began in Spring 2024 and the modernized campus is anticipated to open to students in Fall 2028.

4. What is a full modernization project?

A full modernization is a project that addresses all the needs of a facility (building deficiencies, educational suitability, capacity, etc.) by bringing the entire school and site in line with the Educational Specifications and Project Development Manual. A school can be modernized through all new construction, renovation, or a combination of both.

5. How will construction impact students and teachers? Will they have to relocate to portables or another location during construction?

The safety of our students and staff during construction is our top priority. In order to achieve this, it will be necessary to temporarily relocate or “swing” school activities and programs to the Barrington campus, 400 Cooper Dr, Austin, TX 78753. More details regarding the logistics of the swing space will be provided to families and staff in the coming months.

6. Will transportation be offered to help students get to their temporary location at the Barrington campus?

During the temporary relocation, all Wooldridge Elementary students who live within the attendance area will receive Austin ISD bus transportation at convenient neighborhood pickup locations. Students may walk up to 0.25 miles to the nearest stop unless it is a hazardous walk. Special needs route service will offer pickup and drop off at residence. Buses transporting students to a swing campus location will have a bus monitor, and all

Austin ISD buses are equipped with seatbelts. To access more information, you can utilize Where's the Bus app at [Austinisd.org/transportation](https://austinisd.org/transportation).

7. How will construction impact neighbors who live near the school?

Neighbors in the immediate area surrounding the school will be notified before the start of construction and will be made aware of any major changes during construction. While every project is different, activities to expect include: temporary fencing installed around the active construction site, trucks entering and exiting the primary construction area; neighbors may hear backup alarms while equipment and trucks are on site. There will also be hammering, drilling and other general construction equipment noises.

8. What happens to the contents of a building that is being modernized?

Austin ISD is committed to sustainability and recycles or re-purposes as much as possible from buildings that are being modernized or remodeled.

9. How do I get involved with the project and provide input?

A Campus Architectural Team (CAT) has been formed to provide input on the project. CAT meetings are open to the public and public comment will be allowed at the start of each meeting. There will also be community meetings over the course of the project for families, staff and community members to get an update on progress and provide input. Those meeting dates and times will be published at AustinISD.org and AISDFuture.com once they are confirmed.

10. Who can I contact with questions or feedback?

For additional information on the 2022 Bond, please reach out to the district using the [Comment Form](#).
